Vancouver, WA 98662

Core Values:
Integrity
Compassion
Accountability
Respect
Engagement

The goal of MSN is to educate, support and provide resources to marketing and community relations professionals in the healthcare and senior industry.

Goals of Care Conversations

Presented by Jana Dluhosh (Signature Hospice)

Talking about end-of-life wishes can feel difficult, but these conversations are one of the most meaningful ways families can support and honor the people they love. This presentation will explore how to approach goals of care conversations with compassion and clarity, helping individuals express what matters most to them as they face serious illness or the later stages of life.
