Financial Planning for Older Adults

Presented by Rhianna Larson (CFG Wealth Management)

Explore some of the most common financial concerns facing older adults, including long-term care costs, protecting retirement assets, unexpected healthcare expenses, and costly financial missteps. Learn when to involve a financial professional and how proactive planning can help seniors and their families make more informed decisions.

Understanding Home Health

Home Health is one of the most valuable yet often misunderstood resources available to older adults. Learn what Home Health provides, how it's covered, and some of the lesser-known services that fall under its umbrella.
